Breeders agreement and mentioning of a stud dog on the club web site

Breeders, member of our club, pay, in extra to the normal yearly contribution a yearly amount of € 25 for the puppy information service of the club regardless of the number of litters bred that year.

Occasional breeders pay € 25 the year they have a litter. For this amount the breeder will be mentioned on the breeders list of the club's web site under the condition that the litter(s) pursue the regulations of the breeders rules.

Breeders and/or owners of a stud dog (that measures the breeding regulations) can get their stud dog mentioned on the club's web site if they want to.

If you, as a breeder, want to be on the breeders list or if you are the breeder or owner of a stud dog wanting a mentioning at the www.tibetanterrierclub.be web site, sent this signed letter to the secretariat of the club. After payment of the yearly contribution and the extra amount for the puppy information service and/or the mentioning of your stud dog, sent this signed letter to the club and you will get mentioned on the breeders and/or stud dog list.

I hereby declare having noticed the breeders pact and accept the breeding regulations. I want, as a breeder and/or owner of a stud dog being mentioned on the breeders list and at the club web site.

The info for stud dogs can be downloaded at the club's web site or at the secretariat of the club.
